Copystar Recognized for Most Reliable Monochrome Printer and Multifunctional Product Line

Fairfield, N.J., February 9, 2005

Copystar, a division of Kyocera Mita America, Inc., and a provider of digital document imaging devices, today announced that it has been honored with the BERTL Platinum Award in the category of monochrome reliability. The award is the result of a worldwide end-user survey conducted by BERTL to determine the manufacturer who provides the most reliable digital copier, multifunctional product (MFP) and printer product line in the world as rated by actual end-users.

continually impressed with Kyocera's ability to develop high performance, reliable products that offer the lowest total cost of ownership."

Over the past year, BERTL conducted a worldwide survey covering 23 manufacturers' copier, printer and MFP performances across a range of areas. Responses were received from enterprise buyers and technical professionals in 47 countries, responsible for managing over 175,000 devices in total. Respondents were questioned on the most important issues affecting their digital imaging equipment purchasing decisions, such as ease of use, productivity, reliability, service and support, image quality and pricing.

"Reliability is a major factor in maintaining productivity in any enterprise," said Elizabeth McNichol, vice president of corporate relations for BERTL. "BERTL is
